

Factom Community Testnet

ANO applicant:

Blockchain Education Initiative

The applicant joined the Factom Community Testnet on:

2018-03-23

Nodes and responsiveness:

The applicant is currently running **3** on the Factom Community Testnet of which **2** are part of the authority set.

During their time on the Factom Community Testnet I've rated their responsiveness to updates and helpfulness during network outages (from 1 to 5 with 0 meaning not assessed, 1 being unacceptable and 5 being outstanding): **4**

General comments:

BEI formerly Emulvera LLC have been on the testnet since middle of March and their nodes have generally been stable and they have been reasonably quick to upgrade and have been running 2 Authority set servers and have done all their upgrade using brain transfer as expected.
