## ANO applicant:

Anchor Block

## The applicant joined the Factom Community Testnet on:

2018-06-20 and Pre Portainer setup

## Nodes and responsiveness:

The applicant is currently running **3** on the Factom Community Testnet of which **0** are part of the authority set.

During their time on the Factom Community Testnet I've rated their responsiveness to updates and helpfulness during network outages (from 1 to 5 with 0 meaning not assessed, 1 being unacceptable and 5 being outstanding): **3**

## General comments:

Required a significant amount of help getting docker setup in the beginning but have since setup 2 other followers without any assistance required. Have generally kept their nodes uptodate but have required some prompting to do so.
