

**Filing Receipt for Trademark/Service Mark Application for Registration  
on the Principal Register  
and Next Steps in the Application Process**

Thank you for submitting your trademark application to the U.S. Patent and Trademark Office (USPTO). This filing receipt confirms your mark and serial number, describes next steps in the application process, and includes the information submitted in your application. Please read this receipt carefully and keep a copy for your records.

For an overview of important things to know after filing your application, visit our website to read the [After You File](#) page and watch video number 9 "[After You File](#)."

**1. Your mark.** Factomatic (stylized and/or with design, MRK1737920041-073922616\_.\_Factomatic\_Logo.jpg) The literal element of the mark consists of Factomatic. The color(s) "Factom" in light blue, and "atic" in black is/are claimed as a feature of the mark. is/are claimed as a feature of the mark. The mark consists of The mark consists of Factomatic spelled as one word. The first part "Factom" is in light blue, and "atic" is in black. Five pins stick out of the 'o' in 'Factom', three from the bottom, and two from the top, creating an appearance similar to a molecule model. The heads of the pins are of various sizes with clear heads, and a light blue outline that matches the color of 'Factom'.

**2. Your serial number.** Your application was assigned serial number '87865686'. You must refer to your serial number in all communications about your application.

**3. What happens next—legal examination.** Your mark will not be registered automatically. In approximately three months, your application will be assigned to a USPTO examining attorney for review. The attorney will determine if your application meets all applicable legal requirements, and if it doesn't you will be notified in an email with a link to the official Office action (official letter from the USPTO). Visit our website for an explanation of [application process timelines](#).

If your mark includes a design element, we will assign it one or more [design search codes](#). We will notify you of these codes within the next few weeks and you can suggest that we add or delete a design search code from your file.

**4. Keep your addresses current in USPTO records.** We do not extend filing deadlines if you do not receive USPTO mail or email. If your postal address or email address changes, you must update the correspondence or owner's address using the [address forms](#) on our website.

**5. Check your application status in our database every three to four months.** To be sure that you don't miss an important email from us, and to avoid the possible [abandonment](#) of your application, check your application status and review your documents in our database, [Trademark Status and Document Retrieval \(TSDR\)](#), every three to four months.

**6. Warning about private companies offering trademark-related services.** Private companies may send you communications that resemble official USPTO communications. These private companies are not associated with the USPTO. All official correspondence will be from the "United States Patent and Trademark Office" in Alexandria, Virginia, and from emails with the domain "[uspto.gov](#)." If you are unsure about whether the correspondence is from us, check your records in our database, [TSDR](#). Visit our website for more information on trademark-related [communications that may resemble official USPTO communications](#).

**7. Questions?** Please visit our [website](#), [email us](#), or call us at 1-800-786-9199 and select option 1.

**8. Application data.** If you find an error in the data below, visit the [After You File](#) page on our website for information on correcting errors.
