The applicant joined the Factom Community Testnet on:

2018-07-07

Nodes and responsiveness:

The applicant is currently running **1** on the Factom Community Testnet of which **0** are part of the authority set.

During their time on the Factom Community Testnet I've rated their responsiveness to updates and helpfulness during network outages (from 1 to 5 with 0 meaning not assessed, 1 being unacceptable and 5 being outstanding): **2**

General comments:

Kris required a small amount of help getting setup - mostly just clarification on documentation but have otherwise run his node without any assistance required. He has however not updated his node from v5.2.0 despite being prompted.
